There were no members of the public present

1. Apologies were noted from Cllr Barnham & B Watkins GCC Highways
2. There were no declarations of interest on items on the agenda
3. There were no dispensation requests
4. The minutes of 18 September 2019 were noted.

Matters arising

CCRI Market Towns project to be included on the next agenda

GCC Highways to be chased re response to bus shelters & info sought re access to bus shelter notice boards. Plus request for Bank Street to be pilot for rainbow pedestrian crossing

It was noted that no monies were attached to the Carnegie project

5. To have an update re UWE programme

Cllr Elsmore updated the committee on the presentation by the students last week. All notes to be issued to committee members

6. To make recommendation re the creation of a town centre managers post

Cllr Penny asked that some research is done into the possible appointment of a town centre manager to move forward the ideas of the committee. R Morgan has experience of such a role and would be willing to input into this research. There was a wide ranging debate

Recommendation

That the role is defined & specifications sought

That the role is Coleford centric

Support for the role is sought from all partners including local business & local authorities

Cllr Penny stressed that the expertise would enable a more effective

7. To have an update the preferred lorry routes

8. Recommendation

The Clerk to chase up correspondence & invite the businesses involved to a meeting.

Cllr Allaway-Martin to obtain the most recent air pollution data for Coleford from the FoDDC.
